Mission

Project Cultivate is a 501(c)(3) nonprofit founded in 2020 by Dr. Robyn S. Joppy to empower girls—especially those from underserved and disenfranchised communities—through education, integrity, and economic development.

Signature Programs

- Saddle Up Harrisburg Equestrian Camp
- Day of Caring (USA, Caribbean, Africa)
- Marcella Henry “I Am Empowered” Scholarship Fund
- Cultivating Aviation Program (CAP) — launching Summer 2026

Outcomes We Build

- Confidence and leadership development
- Increased self-esteem and goal setting
- Exposure to education and career pathways
- Community engagement and service
