

About Project Cultivate

Project Cultivate is rooted in the belief that empowerment begins with intentional cultivation. Through immersive programming, mentorship, and community engagement, we help girls recognize their value, strengthen leadership skills, and expand access to opportunity.

Our Mission

To empower girls through education, integrity, and economic development—equipping them with confidence, leadership skills, and opportunities to thrive personally, academically, and professionally.

Signature Initiatives

Saddle Up Harrisburg Equestrian Camp

A summer equestrian camp serving girls ages 7–14, designed to build confidence, discipline, responsibility, and leadership through hands-on horsemanship and mentorship.

Day of Caring (Global Initiative)

Empowerment and service experiences held in the United States, the Caribbean, and Africa, centered on self-worth, integrity, purpose, and community care.

Marcella Henry “I Am Empowered” Scholarship Fund

A scholarship initiative supporting girls with tuition, books, uniforms, shoes, and education-related needs, expanding access and opportunity.

Cultivating Aviation Program (CAP) – Launching Summer 2026

A STEM and aviation exposure program for youth ages 10–17, designed to broaden career awareness, strengthen leadership, and promote pathways to economic mobility.

Ways to Partner With Us

Project Cultivate offers meaningful partnership opportunities for corporations, foundations, small businesses, and community supporters. Partners help expand access, fund scholarships, strengthen programs, and increase our reach.

| Level | Recognition |
|----------------------------------|---|
| Presenting Sponsor | Top billing across materials, prominent website and logo placement, media mentions, and speaking opportunity (as applicable). |
| Program Sponsor | Recognition aligned with the supported program; logo placement and acknowledgment across communications and event materials. |
| Youth Scholarship Sponsor | Sponsor a participant's experience with recognition on the website and sponsor listings. |
| In-Kind Partner | Recognition based on contribution such as meals, transportation, supplies, gear, printing, or professional services. |

Additional Support Options

- Sponsor youth transportation, meals, or program supplies
- Provide scholarships for program participation or educational needs
- Offer in-kind contributions such as printing, food, gear, venue support, or professional services
- Support program expansion and new initiatives
